

§ 1960.40

§ 1960.40 Establishment committee duties.

(a) The safety and health committee is an integral part of the safety and health program, and helps ensure effective implementation of the program at the establishment level.

(b) An establishment committee formed under this subpart shall, except where prohibited by law:

(1) Monitor and assist the safety and health program at establishments under its jurisdiction and make recommendations to the official in charge on the operation of the program;

(2) Monitor findings and reports of workplace inspections to confirm that appropriate corrective measures are implemented;

(3) When requested by the agency Safety and Health Official, or when the committee deems it necessary for effective monitoring of agency establishment inspection procedures, participate in inspections of the establishment;

(4) Review internal and external evaluation reports and make recommendations concerning the establishment safety and health program;

(5) Review, and recommend changes, as appropriate, to procedures for handling safety and health suggestions and recommendations from employees;

(6) When requested by the Designated Agency Safety and Health Official, or when the committee deems it necessary, comment on standards proposed pursuant to the provisions of subpart C of this part;

(7) Monitor and recommend changes, as required, in the level of resources allocated and spent on the establishment safety and health program;

(8) Review agency responses to reports of hazardous conditions, safety and health program deficiencies, and allegations of reprisal;

(9) Report their dissatisfaction to the Secretary if half a committee determines there are deficiencies in the establishment's safety and health program or is not satisfied with the agency's reports of reprisal investigations; and

(10) Request the Secretary to conduct an evaluation or inspection if half the members of record are not satisfied

with an agency's response to a report of hazardous working conditions.

§ 1960.41 National committee duties.

National committees established under this subpart shall, except where prohibited by law:

(a) Monitor performance of the agency safety and health program and make policy recommendations to the head of the agency on the operation of the program;

(b) Monitor and assist in the development and operation of the agency's establishment committees. As the committee deems appropriate, monitor and review: Reports of inspections; internal and external evaluation reports; agency safety and health training programs; proposed agency standards; agency plans for abating hazards; and responses to reports of hazardous conditions; safety and health program deficiencies; and allegations of reprisal;

(c) Monitor and recommend changes in the resources allocated to the entire agency safety and health program;

(d) Report their dissatisfaction to the Secretary if half a committee determines there are deficiencies in the agency's safety and health program or is not satisfied with the agency's reports of reprisal investigations; and

(e) Request the Secretary to conduct an evaluation or inspection if half the members of record are not satisfied with an agency's response to a report of hazardous working conditions.

Subpart G—Allegations of Reprisal

§ 1960.46 Agency responsibility.

(a) The head of each agency shall establish procedures to assure that no employee is subject to restraint, interference, coercion, discrimination or reprisal for filing a report of an unsafe or unhealthful working condition, or other participation in agency occupational safety and health program activities, or because of the exercise by such employee on behalf of himself or herself or others of any right afforded by section 19 of the Act, Executive Order 12196, or this part. These rights include, among other, the right of an employee to decline to perform his or
